Froelick Gallery is proud to announce our 28th Anniversary Group Exhibition featuring all our represented artists, including new works by Benny Fountain, Tom Prochaska, Gwen Davidson, Laurie Danial, and many more...

Froelick Gallery opened its doors in Downtown Portland in October 1995, and in 2007 relocated to the historic DeSoto Building where we are located today, between Old Town and The Pearl District. We continue to exhibit and represent an outstanding, diverse, and evolving roster of contemporary artists. Each of them possesses a strong and independent voice, hailing from the Pacific Northwest, and from across the

United States, and several live in Tokyo. We believe that our artists make life in Portland better and are significant contributors to the arts and culture of our city. This celebratory exhibit includes artists whom we have represented since opening in 1995, a few who are brand new additions, and Brian Kershnik who is now represented here again. We hope that you can visit to take a look or attend one of our events with many of our artists present.

We value all of you who have supported the gallery, especially those who have grown with us from the very beginning. We are grateful for the pleasure of connecting families, friends, collectors, curators, and institutions of all sizes with our artists and their artwork.

Thank you for trusting Froelick Gallery!
